Late Policy

As a reminder, we offer multiple ways for tenants to pay rent. This includes cash, personal check, cashier's check, money order, as well as online bank draft, and card payments.

We accept cash, personal check, cashier's check, or money order during office hours.

There is a drop box located outside the office for after hours use for personal checks, cashier's checks, or money orders. Please do not leave cash in our dropbox.

You can also mail checks and money orders to our PO Box.

Lastly, there is the option to pay online. There is a fee through for processing credit & debit cards through the system and is based on the amount paid. You can pay online via automatic bank draft and this will waive the fee. We can send an online tenant portal activation and instructions via e-mail if you'd like.

If you are paying your rent after 5pm on the 5th of the month, we will need you to pay via cash, cashier's check, or money order.

We will not accept personal checks for late rent.

If you have any questions or concerns, please feel free to contact our office.

Thank you,

Ashe Rental Agency
